ABOUT US

For nearly 25 years, Company Cards have been at the forefront of plastic card products. We've helped hundreds of businesses of all sizes to improve security, boost loyalty and market more effectively to their customers. With a rich heritage since inception in 1995, our reputation and outstanding customer service is something we pride ourselves on.

Our ability to provide quick turn around on approval, a high degree of personalisation to the core of your cards and first class fulfilment has put us as a leader within our industry.

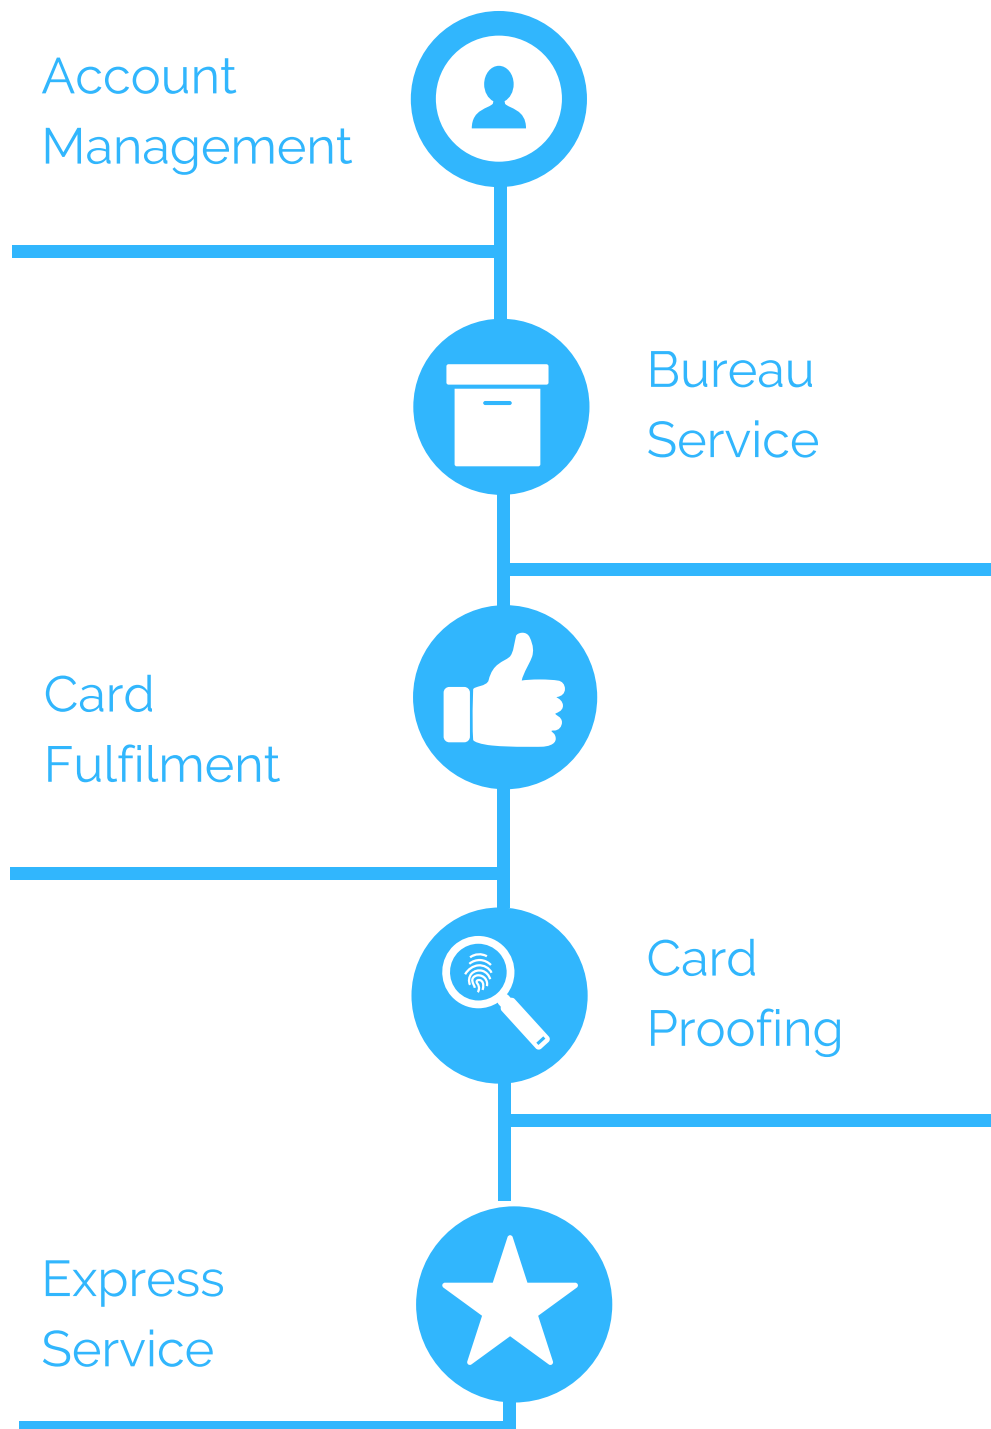

We produce thousands of cards to hundreds of customers each month no matter the specification tailored to meet the needs of our customers in the UK and globally.

Our experience and knowledge has allowed us to deliver jobs for businesses in a variety of sectors such as medical, construction, education, hospitality and retail to name a few.
